

# ANONYMOUS CRIME HOTLINE

## WeTip's Community Safety Program

WeTip's Anonymous Crime Hotline is a way for citizens to get involved in establishing a safer community - allowing residents an opportunity to give information without fear.

When you call the WeTip hotline, the first words you will hear from the operator will be, "This is the WeTip crimeline, please do not give your name." The operator will then ask a series of questions to obtain information about the reported crime. That information is then shared with the appropriate police, fire and law-enforcement agencies.

After the information is taken, if the informant requests a reward, a code name and number are assigned. The caller always remains absolutely anonymous (not just confidential).

Cash rewards of up to \$1,000 are given upon verified reports from law enforcement that WeTip information was received prior to arrest, and it was helpful in the arrest and conviction.

No one will ask your name, and you will remain anonymous.
